

Estate Planning

A well-crafted estate plan safeguards your wealth, your family, and your legacy. It also ensures that if you become incapacitated, your assets are managed according to your wishes rather than left open for interpretation.

Structure & Governance

- Wills & Trusts
- Powers of Attorney
- Beneficiaries
- Attorney Coordination

Wealth Preservation

- Legacy Building
- Gifting Strategies
- Asset Protection
- Probate Avoidance

Tax Mitigation

- Trust Structure
- Tax Exclusions
- Charitable Giving
- Wealth Transference
