

# Insurance Planning

A financial plan is only as strong as its weakest link. When utilized correctly, insurance acts as a strategic transfer of risk that protects your most valuable assets and safeguards your family's standard of living.

## ***Income Replacement***

- Life Insurance
- Disability
- Key Person Coverage
- Long-Term Care

## ***Asset Protection***

- Right-Size Coverage
- Umbrella Policies
- Liability Protection
- Risk Mitigation

## ***Legacy Planning***

- Wealth Preservation
- Estate Alignment
- Business Continuity
- Tax Efficiency
